**Subject:** Food Trucks

Hi Kris,

(b)(6); directed me to you. I was mentioning a concern I had related to the food trucks parked near Bldg. 35. Twice I noted the food truck employees without masks while attending customers from inside the truck. I am not familiar with the regulations but feel that it may deter some people from using the service if they consider this practice unsafe.

I observed this on:

Tuesday 8/25 at 2pm, Mardi Gras Tyme  
Wednesday 8/26 at 1:30pm, Rangoli

Again, I don't know the rules, but thought I should bring to your attention.
